

Custom Handcrafted **SPECIALTY HANDGUN GRIPS**

These pages show a few examples of some of the specialty handgun grips which we have handcrafted for our customers.

UNIQUE SHOW GRIPS

Our synthetic ivory grips (left) are almost indistinguishable from natural ivory, at a fraction of the price. These grips are a beautiful finishing touch to your favorite display gun.

Our natural Buckeye Burl grips (right) are handcrafted from fine quality materials and finished with a polymer overcoat. These grips are fairly soft and are intended for display purposes only.

BEAUTIFUL INLAYED GRIPS

Our inlaid grips are handcrafted from a combination of hardwoods and/or composite materials. The handguns show below are simply a sampling of the inlay work which we have done.

Have a special request? Please feel free to contact us and we will be happy to design a set of inlaid grips using a wide variety of hardwoods and composite materials.

SOMETHING A LITTLE OUT OF THE ORDINARY!

We love to experiment with unique and unusual woods. Every so often, we find that one of these trials nets us a truly unique and unusual set of handgun grips.

If you are looking for a truly unusual set of grips, our custom Poker Chip (left) or Eclipse (right) patterned grips are "just what the doctor ordered!"

ABOUT OUR GUN GRIPS

The photographs on these pages are representative of the characteristics and properties of the woods and synthetic materials shown. However, due to variations which occur throughout each material, the exact coloration, figurative, and pattern will be unique to each pair of grips. Our "standard" handcrafted gun grips tend to be a little thicker (typically 30% thicker) than the stock grips provided by most gun manufacturers.

Each sample grip is shown displayed on a "stock" 45 calibre handgun. However, we routinely design and handcraft grips for a wide variety of guns. Please contact us with your specific requirements and we will be happy to design a set of grips for your specific weapon.

Our handcrafted gun grips start at around \$45.00 and may reach \$300.00, depending on the hardwood selected and the complexity of the grips. Contact us and we will be more than happy to give you a quote for your specific weapon.

GUNS ARE NOT INCLUDED WITH ANY HANDGUN GRIP ORDER!
